"PLEASE DON'T EAT THE DAISY'S"

Really! Please don't pick the fruit and flowers growing around the individual condo's unless you ask permission from the resident living there. These are **NOT** up for grabs! They are planted and nurtured by the people living there! Thank you, Heather for bringing the problem to our attention.

TRAVEL CLUB NEWS July 11, 2014 By Ed Reilly,
Chairman, Club New Horizons Phone: 310-326-4710

August: On Sunday, August 24, we are scheduled to attend a wonderful California Philharmonic concert at the beautiful and iconic Walt Disney Concert Hall. From the stainless curves of its striking exterior to the state of the art acoustics of the hard wood paneled main auditorium, the 3.6 acre complex embodies the unique energy and creative spirit of the city of Los Angeles. Every year on special Sundays the California Philharmonic takes over the Concert Hall to share with Los Angeles their special music. Sunday, August 24 is the date of our concert. With a program entitled "Broadway and Bolero," we will hear music selections from "Chicago," "Bolero," "Evita," "Cats" and "Espania." There is a something there for everybody. We'll be leaving at 10:15 AM and returning at 5:45 PM. The cost for this great afternoon of music is \$96.00 assuming we can interest at least 27 patrons. Lunch will be on your own at L.A. Live. This sign-up sheet is on the board.

September: TBA

October: October means that it is time to celebrate Oktoberfest! And this year, as we did last year, we are celebrating this autumn ritual in Big Bear. Saturday, October 18 is the date you need to put on your calendar. Oktoberfest at Big Bear is a long standing tradition in Southern California. This year's 44th annual festival features bands direct from Germany including "The Express" who have been performing in Big Bear for over 15 years! Traditional festivities include a log sawing contest, stein holding contest, safe slam beer drinking contest the chicken dance and performances by a variety of authentic dance groups. In addition, there is a variety of arts and craft exhibitors and the highest elevation Bier Garten in the U.S. The atmosphere is always charged with hospitality, laughter and camaraderie. In addition, we can look forward to a full German luncheon and a guided tour around Big Bear Lake with a host in traditional costume. This will give us a chance to learn the history of the lake and hear stories that have made Big Bear Lake one of Southern California's favorite destinations. Break out your Dirndls and Lederhosen and help us make this a truly fun day.

Is traveling of interest to you? If so, how about joining us? The Travel Club meets the first Thursday of every month at 7:00 PM in the Clubhouse. We always conduct a little business, discuss new and upcoming trips, see a travel related film and enjoy a social hour with refreshments. It is a lot of fun. Our next meeting will take place on July 3, 2014. If you would like additional information, please call Ed Reilly at (310) 326-4710, or Sharon Rose at (310) 539-0811.

Men's Golf results for July 2, 2014

Comments: Nice day for a golf tournament and a pretty good turn-out for our Wednesday men's tournament. However, we could really use some more players for the B-flight, or even expanding to add a C-flight. So, here's hoping some of our old friends who haven't been playing lately will rejoin our Wednesday men's group: it get's light early, the weather is great and so is the companionship. Come on out. See you all next week.

Louis Zamperini

Submitted by Paul Cohen

Date: July 4, 2014, Torrance

Today, the flags in our city fly at half mast to remember a man we called our Home Town Hero - *Louis Zamperini*. He succumbed to pneumonia on Wednesday, July 2nd, at the age of 97.5.

The rest of the world knew him as that incredible person who survived 47 days adrift on a raft in the south Pacific during WWII only to wash ashore of an enemy-occupied island 2000 miles away from where his plane crashed, and who withstood two years of torture at the hands of those who knew they had someone "famous" as a prisoner.

With his older brother, Pete's encouragement, Louis eventually learned to channel his bad-boy energies into running. He was selected to be one of the 334 American athletes to go to the 1936 Berlin Olympic Games. While at Torrance High School, he blew the competition away, setting a new interscholastic mile world record of 4:21:20, which stood for 20 years! Louis put Torrance on the map.

Like his legend, his name too will live on in Torrance - *Zamperini Way, Zamperini Field and Zamperini Stadium*.

He always had a mischievous twinkle in his eye, and a kind word for all - he was an inspiration like no other.

For those who don't know his story, they will get a chance on Christmas, with the release of the movie, *Unbroken* - book written by Laura Hillenbrand, movie directed by Angelina Jolie. Both women have told Louis' story from their hearts - thereby keeping the book on the *New York Times* best-seller list for more than 174 weeks (14 as number one), and counting, and a movie which is sure to stroll down the red carpet with an Oscar nomination.
