Line Dancing News

On July 7, the line dancers celebrated Martha Berry's birthday with a delicious chocolate cake and ice cream.

At that time we decided Line Dancing would take a break for the summer.

We will resume our class on Monday, September 8.
(The week after Labor Day)

Goodbye and Welcome Change at our front office

Sandra Tull will be leaving at the end of the month. She started on 4/4/12, so has been here a little over 2 years. In that time she's become a member of the New Horizons family. She has been kind, patient and understanding to all the residents. She's been steadfast, conscientious and diligent working with both the current and prior Board, and all the employees. She will be missed, but we all wish her the best in her new endeavor.

Kelly Rupp started on 7/8/14, and will be replacing Sandra. She is very excited to be joining the New Horizons family. Her training is moving along and she is enjoying meeting everyone. When you get a chance, stop by and say hello.

TRAVEL CLUB NEWS for July 25, 2014 By Ed Reilly,
Chairman, Club New Horizons Phone: 310-326-4710

A couple of months ago, I tried to interest the Travel Club in going to see "Pompeii, The Exhibition." I thought it would be a fascinating trip, one that would be of interest to the entire club. Unfortunately, too many folks disagreed with me and we had to cancel due to lack of participation. That was a shame. Yesterday, my wife and I, joined by several members of the club who were disappointed in not going as a group, made an excursion on our own to see this wonderful exhibition. As I knew it would be, we were bowled over with the presentation. It was indeed fascinating. The exhibition features a thoroughly captivating glimpse into the opulent lifestyle and tragic end of this ancient Roman society forgotten for centuries until its rediscovery over 250 years ago. In addition to the exhibition, a truly awesome National Geographic film entitled "Forces of Nature," was shown which showcased, in tremendous Imax splendor, the spectacle of volcanoes, earthquakes and severe storms visited upon our earth. Enhanced by a sound track that was in itself awesome, the eruption of volcanos, shaking earthquakes and devastation of tornados brought home the awesome power of mother nature in all its terrifying intensity. The whole experience of both the exhibition and the film made this a truly worthwhile and memorable trip.

August: On Sunday, August 24, we are scheduled to attend a wonderful California Philharmonic concert at the beautiful and iconic Walt Disney Concert Hall. From the stainless curves of its striking exterior to the state of the art acoustics of the hard wood paneled main auditorium, the 3.6 acre complex embodies the unique energy and creative spirit of the city of Los Angeles. Every year on special Sundays the California Philharmonic takes over the Concert Hall to share with Los Angeles their special music. Sunday, August 24 is the date of our concert. With a program entitled "Broadway and Bolero," we will hear music selections from "Chicago," "Bolero," "Evita", "Cats" and "Espania." There is a something there for everybody. We'll be leaving at 10:15 AM and returning at 5:45 PM. The cost for this great afternoon of music is \$96.00 assuming we can interest at least 27 patrons. Lunch will be on your own at L.A. Live. This sign up sheet is on the board. Won't you join us? Payment is now due.

September: September will be a dark month. That means there will be no trips planned. At our August meeting, the club felt we are, for a variety of reasons, trying a mite too hard in scheduling a trip every month. The club is aging, we are all on fixed incomes, etc. In some cases our budgets just can't handle what is perceived as an ever expanding monthly travel expenditure. So, in an attempt to address these concerns, we will from time to time initiate a "Dark" month in which we will not schedule an outing. We would be interested in knowing how the club feels toward this policy. Come to the meetings and let us hear your opinion.

Is traveling of interest to you? If so, how about joining us? The Travel Club meets the first Thursday of every month at 7:00 PM in the Clubhouse. We always conduct a little business, discuss new and upcoming trips, see a travel related film and enjoy a social hour with refreshments. It is a lot of fun. Our next meeting will take place on August 7, 2014. If you would like additional information, please call Ed Reilly at (310) 326-4710, or Sharon Rose at (310) 539-0811.

Conservation Club News cont'd

The leaky, rusty, old shed is gone and in its place there stands a beautiful, large, sturdy one! The need for a larger storage shed soon became apparent after we re-organized our Friday pick-up items in January. The old shed just couldn't accommodate the amount we began collecting each month.

The club would like to thank Ralph and Paul for researching and organizing the entire project. And a big thanks to our NH residents for making this purchase possible. The trash barrels, milk crates, plastic bags and boxes are now all hidden away leaving a clean and neat area. Come by and see for it yourself. You'll be impressed!

"HOW TO BUY (AND NOT BUY) INSURANCE"

Presentation to New Horizons Residents BY: New Horizons Insurance Broker Patrick Prendiville,

Thursday 8/21 - AT 11:00 am. in the Town Hall

HAVE YOU EVER WONDERED: How to calculate how much insurance you really need?

How to know when you have enough insurance? Too much? What kinds of insurance you need? (there are so many types!)

Do you really need your own earthquake insurance?

What happens when your dog bites someone...or their dog bites you?

What happens if a contractor you hired falls inside your condo? What happens if you, or a guest, falls down the stairs?

Who pays for leak repairs? (this one is tricky).

Does insurance cover mold problems (ummm!)

Who pays for my personal items destroyed by fire or water?

What if I have to stay at a hotel - who pays? How long? Quality of inn?

What if the leak/damage is not my fault - who pays? (another tricky one!)

How do I know if I am paving too much for insurance?

FIND OUT

Come to this presentation and learn about

How to buy insurance, How much to buy,

How to calculate how much you need, and

How to know if you are paying a reasonable premium.

Patrick Prendiville, New Horizons Insurance Broker, will educate us all of on the issue of *How to Buy Insurance* - so don't miss this presentation. You will learn a lot!

Joanie Jones, Insurance Chair.

Comments: Nice day for a golf tournament and a pretty good turn-out for our Wednesday men's tournament. We had twenty-four players, including two of our regular guest players, four more than last week, and are very close to having three flights of contestants: more prize money, more winners, more fun.
